The Antonio Giuliani family of instruments grew out of a desire to create quality instruments with exceptional playability at price points that are affordable. The luthiers who make Antonio Giuliani instruments are dedicated to making sure our instruments meet these standards.

- The luthiers who craft your Antonio Giuliani instrument meet exacting quality standards.
- We strive to provide the best quality materials and workmanship you can find in each price category, so you can be confident of the value of your purchase.
- We inspect each instrument before it is shipped, to ensure playability.
